## FLEE TO MS B'S

When it comes to clobber, Bonnie Gokson is feted for her fashion chops. Now it's time to see if her sense of style extends to baking. Planning to open this spring is Gokson's made-to-order bakery, **MS B'S CAKERY**. Gokson's signature desserts at Sevva are already a hit with regulars where some of her own creations include Marie Antoinette's Crave (topped with pink cotton candy) and the Original Crunch Cake (finished with toffee bits). Ms B's will feature 15 different flavours all created with premium ingredients and will offer made-to-order designs as well as wedding cakes.
